Productive Deep Work

This video explains how to focus without distraction on cognitively demanding tasks through three key strategies.

01 Schedule Uninterrupted Time

Dedicate ninety-minute blocks to your most challenging tasks without interruptions.

02 Eliminate Digital Distractions

Turn off notifications and place your phone in another room to minimize distractions.

03 Track Deep Work Hours

Monitor your deep work hours each week to measure and improve your focus time.

deep work | productivity | focus | time management | distraction elimination
